Certificate of occupancy

Site conditions for virtual inspections

- An approved COVID-19 Safety Plan posted on site.
- The site needs to be relatively quiet. Work in the building will likely need to stop during the inspection.
- The site needs to be well lighted. Portable lighting may need to be used.
- The person who is guiding the portable device should be knowledgeable regarding the inspection and be able to walk through the work that is requested for inspection.

Site conditions for live inspections

- An approved COVID-19 Safety Plan posted on site.
- The site needs to be COVID safe respecting the [Governor’s 30-point plan](#).
- The structure needs to be cleared of all workers 15 minutes prior to the inspection.

There are other inspections not listed those will be evaluated on a case by case basis when scheduled. Scheduling for inspection may be moved to accommodate staff availability. Please monitor the online scheduling system in Citizens Connect for updates. [Schedule an inspection](#) - [Guide to Scheduling Inspections Online](#). Changes and exceptions to this guideline will be at the inspector’s discretion.
